By GamesNostalgia: King's Quest VII: The Princess Bride is the seventh installment in Roberta Williams' King's Quest series, developed and published by Sierra On-Line in 1994.. Although less linear in terms of ending than earlier entries in the series, King's Quest VII does not include as many different endings or optional tasks and plot threads as King's Quest VI.. It features high-resolution graphics in a style reminiscent of Disney animated films.. They must find a way to return Rosella to normal and find her true love, save Eldritch from the threat of the evil sorceress Malicia, and get back to their kingdom Daventry.
